from 4-5pm

WHERE WE MEET

Mac Lab, SELE 2254

CONTACT US

Email: tchoh2@uic.edu

**It's not a bug,
it's a feature.**

ABOUT US

Our goal is to advocate open source coding and its relevance to the world of Computer Science. We will dive into GitHub, one of the biggest open source project sites, and even start our own project or help out with a currently existing one. Hope to see you at our next meeting!
