CAN YOU HACK IT?

Take the ITA Tech Challenge
Get recruited. Win up to $5,000.

The ITA Tech Challenge is a programming and coding skills competition for students at targeted Midwest universities, led by the Illinois Technology Association.

Step 1: Take the #itatechchallenge on your campus:

- Eat some food!
- Listen to a presentation from an awesome tech company – **OpinionLab!**
- Complete the ITA Tech Challenge qualifying exam in **any coding language** for a chance to **win!**

Step 2: Win up to $5,000 and interview with top tech companies!

The Top 50 scorers out of all initial exams at the 21 participating universities, will be invited to stay in downtown Chicago and compete in the **Final Challenge, November 4-5, 2016** for **cash prizes** and **bragging rights.**
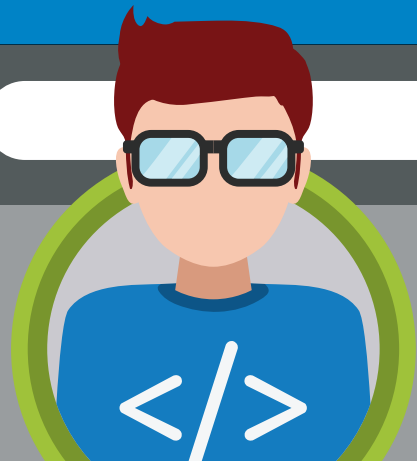

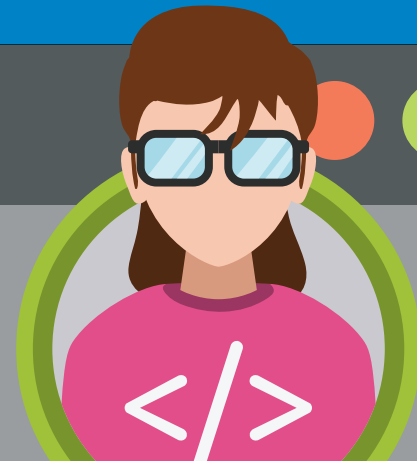

UIC

**Thursday, September 8
5:00 p.m. CST
CS Lab SEL-E 2254**

BRING A LAPTOP & DIGITAL RESUME!
